

Kojima

luxesurfaces

Kojima evokes the refined simplicity of open-woven linen, reimagined with a contemporary gauze-like effect that feels both airy and sophisticated. Its organic texture introduces a sense of ease and tactility, creating depth without visual weight—perfect for environments seeking natural elegance and understated luxury. Offered in 15 curated colorways, the palette includes a balanced mix of versatile neutrals and thoughtfully selected accents that bring harmony and distinction to any commercial interior.
